REFLECTIONS

1994 CHARIOT

THE UNIVERSITY OF NEW HAVEN

The University of New Haven (UNH) is the private, comprehensive, multi-campus university based in southern New England specializing in quality educational opportunities and preparation for self-reliant, productive service in a global society.

Undergraduate programs at UNH are designed to meet the needs of today's students by offering them a quality liberal education along with the professional training they will need for careers in a highly competitive job market.

A solid core curriculum of liberal, humanistic coursework is balanced with professional programs in business, engineering, computer science and other advanced technical areas.

Moreover, the university is flexible enough to meet the needs of students who work while they attend UNH. The Division of Continuing Education offers a range of programs at night. A cooperative education program makes it possible for students to alternate semesters of class attendance with related work experience.

By responding to the educational needs of our students, the University of New Haven has become a major regional university serving both our students and the business community.

To the Members of the Class of 1994:

When you receive your degrees from the University this year, you will mark yet another milestone in the course of your lives. Congratulations! You have worked hard to earn your degrees, and your studies at UNH have prepared you to take your place in society.

Know, too, that your final year has been part of a very special time in the University's history. Among the accomplishments we share are increased commitment to our Students First philosophy and strides toward addressing globalization efforts. The appointment of new deans in the School of Public Safety and Professional Studies and at our Southeastern Connecticut branch in Groton has brought a rebirth of energy and innovation to those two entities. In Groton, the consolidation of many of our branch operations into one handsome location has added to the excitement.

We have successfully expanded our outreach on the international front by welcoming a sizeable number of students from Israel, Russia, and Asia. In addition, we have just completed a Strategic Plan update, which calls for such steps as the selection of certain outstanding programs to be marketed as university "Showcase Programs" and a significant expansion of computing capabilities on campus.

As students, you have contributed significantly to UNH. As you make your mark in the world, know that I wish each of you the very best and that the University shares in your pride at this important and auspicious moment.

Sincerely,
Lawrence J. DeNardis
President

Class of 1994:

As you look back at your years here at UNH, remember the good times. The other times are there, but they are the part of the past we want to keep there! Your time is over; however you will never forget the memories. These memories were made from the first time you saw the campus, the first people you met, the activities and events you have attended to finally Graduation day and the friends that have touched your stay at UNH. Each of you has had a different view of UNH (some good and others bad); however, the common factor within all of you is the love of the part of the school which kept you here. UNH has watched you grow into the person you are today and what you will become in the future. When you leave the "Home of the Chargers", keep remembering what you have learned and the memories of a lifetime you have made. Good Luck in the future and all you do in life. Never stop your dreams . . . Good Luck!
Clare R. Sweeney
DSG President

Student Activities

Being a student at the University of New Haven means having the best of both worlds-an active on-campus community and the city of New Haven. Whether students are interested in cultural, intellectual or social pursuits, they have a wealth of opportunities from which to choose.

Among the campus activities which have proved popular over the years are special theme weekends such as Fall Weekend and May Day. Whether it's building floats for the Fall Weekend's traditional Homecoming Parade, or "gambling" at the ever popular Casino Night, or dancing out on the Maxcy Hall quadrangle to bands under the May Day tent, there are plenty of ways to mingle with fellow students and friends.

The student activities office sponsors a host of performances during weekdays such as comedy nights at the Sports Spot or big band events to keep things lively after classes are over.

Students are also encouraged to develop their cultural and intellectual interests by participating in literary, artistic and dramatic events. Visiting artists, play and concert productions, invited lecturers, forums and panel discussions are among the variety of programs that are available to students. Two cultural groups-Orchestra New England and the Alliance Theatre-are also in residence on our campus.

SHARING SECRETS ABOUT UNH

With Summer over, all Freshmen and Transfer students began their Fall Semester sharing secrets about UNH. This year's events included a Family BBQ, Drive-in movie, Orientation Olympics and Dan LaRosa, the Humorous Hypnotist. The new student orientation aims to welcome the new students, familiarize them with the campus and to introduce them to their classmates.

WE GOTCHA!

CURRENT EVENTS '93-'94

Above: Astronaut repairs the Hubble Telescope.
Below: Nancy Kerrigan wins the Silver Medal at the Olympics.

Above: Yasser Arafat made history in September when he signed a peace treaty with Israel. The 64-year old leader of the Palestine Liberation Organization once told a reporter: "I am a freedom fighter. I am sure this is the way that history will remember me."

Above: Sheik Omar Abdel-Rahman is the aledged leader of the group of terrorists that exploded the bomb in the World Trade Center which killed 6 people. Rahman has also been linked to terrorist plots including plots to bomb the United Nations and the Lincoln and Holland tunnels in New York City.

Above: Floods hit the Midwest causing billions in damage and leaving thousands homeless. Hardest hit were Iowa, Illinois and Missouri. Below left: An earthquake rocked Los Angeles on January 17th killing 55 people and damaging thousands of homes and buildings. Below right: Lead singer of the Seattle band Nirvana, Kurt Cobain takes his own life leaving devastated fans wondering why.

HOMECOMING '93

CHARGERS DECLAW PANTHERS 71-28 IN HOMECOMING GAME

On Saturday, October 16, the UNH Chargers played the Virginia Union Panthers at Dodd's Stadium. Hundreds of fans gathered to show their support and to party. Everyone came early to tailgate in the parking lot. From fraternities to sororities to alumni, everyone was having a good time. Some groups were even competing for who was playing the loudest music, who were the craziest fans and the most people in a single group.

When it came time for the game, the excitement was there. It only took 48 seconds and the Chargers were leading 7-0. By the end of the first quarter UNH had four touchdowns and it was clear that UNH would have it's sixth victory of the year.

GO CHARGERS!

The Homecoming Results were as follows:

Senior:
Male: Vinny Doll
Female: Lisa Paterno

Junior:
Male: Bill Covert
Female: Gia Piperakis

Sophomore:
Male: Chris Saad

CHI KAPPA RHO

Chi Kappa Rho Sorority was founded in 1963 and is the oldest sorority on our campus. XKP provides services for the community such as food drives, Easter egg hunts and clothing drives. Their biggest annual event is a fashion show. The proceeds of this event are then donated to the university in the name of Virginia M. Parker, founder of XKP. In addition to providing service, XKP also plans social functions. XKP believes in promoting better understanding and closer friendships among UNH women. Any undergraduate student with a QPR of 2.0 or higher is eligible to join Chi Kappa Rho.

CHI KAPPA RHO FASHION SHOW

M TOO

PHI SIGMA

Phi Sigma sorority has goals of service, scholarship, and friendship. A Phi Sigma sister is an individual of any age, race, or creed. The sorority's efforts are directed toward attracting a unique type of sister, seeking a woman who is involved outside of herself and her campus and is willing to commit herself to the goals of Phi Sigma. The sorority enjoys being involved in campus life.

OMEGA DELTA

Omega Delta sorority was founded in 1979 to promote a close bond of friendship among its sisters. It encourages personal growth, mutual understanding, outside interests, social awareness, loyalty, and academic achievement. Omega Delta is open to all women who wish to support the ideals, hopes, and purposes of the sorority.

DELTA CHI

Delta Chi is a national fraternity dedicated to a brotherhood designed to promote friendship, develop character, advance justice, and aid in the acquistion of a sound education. Delta Chi was founded in 1890 as a law fraternity and became a general social fraternity in 1909. Delta Chi believes in upholding justice and was the first fraternity to officially abolish hazing in 1929. Delta Chi offers a relaxed approach to fraternal and college life, while maintaining prestigious and idealitic goals. Working hand in hand, geared toward helping and understanding our fellow man, Delta Chi invites students to visit and become acquainted with its brotherhood.

DELTA SIGMA ALPHA

Delta Sigma Alpha is a local fraternity on the UNH campus and has been in exitence since 1986. Justice, wisdom, and brotherhood are the guiding principals of Delta Sigma Alpha. It strives toward the promotion of friendship, the development of character, the diffusion of liberal culture and the advancement of justice. While Delta Sigma Alpha is a social fraternity, it has established very high academic standards. DSA is unique because it is the only non-secret fraternity on campus. Furthering community service activities and promoting student life on campus are goals.

KAPPA SIGMA

Kappa Sigma Fraternity (formerly Gamma Beta Phi) is another local social and service fraternity. Lifetime memberships are open by invitation to any male, full time student in good academic standing. Intellectual awareness, social responsibility, integrity and brotherly love are ideals.

LIMELIGHT
NEW YORK

IFSC

The Inter Fraternity-Sorority Council (IFSC) is the governing student body of the social/service fraternities and sororities, and their activities at the University of New Haven. In addition to determining the guidelines for rushing, the IFSC promotes friendship and cooperation among the various Greek organizations on our campus. The council also sponsors several social and service events throughout the year. Any Greek letter-named social/service organization wishing to hold activities at the university must be recognized by both the IFSC and by the Office of the Dean of Students.

HOT, SEXY & SAFER

with SUZI LANDOLPHI

Comedian Suzi Landolphi brought her Hot, Sexy and Safer show to UNH this past fall. She talked about the importance of safe sex in a non-preaching manner and the importance of trust and intimacy in a relationship. However the highlight of the show was when she discussed condoms. To prove her point that condoms will fit any man, she put a condom over a person's head as shown on the next page. While her show was light-hearted and funny, she didn't want people to miss the point that in this day and age, safe sex must be a way of life.

FOOTBALL '93

Chargers Ends 1993 Season With 11-1 Record

Last year, the University of New Haven football program was relatively unknown and secretly snuck up on opponents with its potent offense. The Chargers went onto post a perfect record in 1992 and advance to the NCAA Division II semi-finals before finally falling to eventual champion Jacksonville State.

The 1993 season would be different as local, regional and national media proclaimed the New Haven offense as the best in the nation. The Chargers could no longer lurk in obscurity. Everyone knew about the Blue and Gold, ranked fifth in most preseason football polls. For the first time in the program's 21-year history, the pressure was on the Chargers. But when you have aspirations of playoffs, you need to be able to handle pressure and that is just what New Haven did as it came back with another perfect season in 1993. (Taken from "UNH Football Prospectus")

CHANGES AROUND UNH

To the dismayment of some returning students this fall, the cafeteria murals had been painted over when the cafeteria was remodeled over the summer. However, one lone unknown photographer was able to snap some picture of the murals before they were painted over. Those pictures lay here on these 2 pages.

I must say that working on this yearbook has been a great experience but also an experience that sometimes I wished I hadn't gotten myself into. I don't think some people realize how much time goes into the production of a yearbook. I sure found out this year. I hope everyone enjoys this book because a lot of time went into it. I want to thank everyone who helped in putting this book together. My deepest thanks and appreciation goes out to the following people:

Bob Sasena- without you, there would not be a yearbook. You are one in a million. Thank you for all your help and answering my endless questions. See you next year.

Janet Burdick- thanks for sticking by me not only with the yearbook but with everything else.

Lisa Mancini- thanks for stuffing envelopes and putting up posters.

Nate- thanks for taking great pictures. See you next year.

Lisa Paterno- best of luck to you. Thanks for the goods times and memories.

Tara- thanks for hanging with me and letting me vent every once in a while.

Laurie Diorio, Clare Sweeney, Vinny Doll and the DSG- thanks for helping out with the budget, with advertising and everything else.
Ed Renaud- my pal who took me under his wing three years ago and got me involved in this madness. Thanks for your wisdom and our dinner conversations we had every Tuesday. I miss having you around.
Mrs. Ann Masini- thanks for helping me schedule Senior Pictures.
William Leete- thanks for your help this year especially with the computer.
George and the Charger Bulletin Staff- thanks for pictures and a place to hang out.
Kris Godfrey- for understanding when I missed Comm Board meetings.

Jack Jones- thanks for all your help in providing us with a sports section.

Public Relations- for helping us with commencement photos

Security- for always letting me into the office and for not kicking me out when I was there to long.
Jeff DiCosimo- thanks for your help. I look forward to next year.

King Advertising- for getting ads for us.

Mom & Dad- thanks for your love and support.

John- it amazes me that you still love me. Thanks for putting up with my mood swings. I love you. Only one more year.

Thanks to everyone who gave us pictures when we didn't have any.

ADS
FOR
GRADS

THE CHARIOT YEARBOOK WOULD LIKE TO THANK ALL THE PARENTS WHO PARTICIPATED IN THE "ADS FOR GRADS" PROGRAM.
